PRIDAY MORNING, NOV. 24, 1876. DEPRECATING WAR

The Independents and the Radicals are as

and declare that if the Democrats "could

resorting to legal and peaceful remedies to

prevent the actual consummation of a glar-

low trickery and a hollow morkery, in a word.

print and twaddle about "war," "blood-

shed." If Democrats dare to utter a word is

condemnation of the wicked attempt mad-

the will of the people, they are charged with

war. It is a conceded fact that Tilden has

been fairly and legally elected by the people

of the United States-that he has received :

majority of the electoral college and a ma-

jority of near three hundred thousand in the

counting him out, and thus wifling the popu-

lar voice, they are loanded as "cowards,

voice of the American per ple.

Weakness of Washington in case of

e of the administration, the President rabbet re and all. He also said that since the late war

people south knew all about the defenses of Wash

ington, what places were suitable for fortheattons, and exactly what resistance would be med in such a movement. New York Heraid.

The Herald is needlessly plarmed over the

remark of the ex-Confederate officer. There

is no Confederate plot. Such a thing is im-

possible. The people of the south mean

peace and not war, and should trouble grow

"poltroons," seeking to bring about

indissoluble as the Biamese twins. Deep appear among the list of candidates." down in their bearte is the rapturous consciousness of loving and being leved by each structive table setting forth the Republican to the wishes of the Federal council. other. The Radicals fight their battlesopenly, the Independente steelthily. Both oberlosses in the New England, the middle, and the western States at the late election. In it and is now in command of the soldiers star ish a chronic hate of Democracy, and work by different means to accomplish its defeat; but they are in perfect second in preparing the public mind for acquiering in the Louisiana fraud. The bearing of the Democratic party, north and south, in discussing the unand in the third. 102,069, making a grand paralleled infamy by which it is proposed to defeat Tilden, has been prudent and surprisingly petient, in view of the monstrous villainy contemplated. They proclaim that the fair election of Hages would not only be promptly acquiesced in, but accepted as the decision of the people's will. There is no and binding upon all ministers and members of the two churches. violence manifested by the southern people, Democrate in no part of the Union proposhean party in the great north and west, to go any forcible resistance to the great crime, the revolution by which the Radicals propose to

force Hayee into the Presidency contrary to the majority of the people. But if Democrats, north or south, dare to lift their woices agains. for them to do this. Suppose they should the scoundrels who are engaged in the infacentare on Napoleon's experiment of a plemy of manipulating the returns in each a niswie to-morrow in the north and west exway as to change the result of the election, the Radicals and their superserviceable tools, the Independents, raise their hands in holy horror.
